Sub:- Grant of forest lands in Rajihalli State Forest in Anekal Taluka for cultivation ... to Shri C Chandappa and M Mariyappa.

1) ~~Re~~ Letter No B3-110-930/57, dated 3-12-57 from the CCF above recommending continuance of lease of lands to Shri C Chandappa and M Mariyappa for the reasons mentioned in his letter.

2) It is strange why the unauthorised lease of forest lands by the Rev authorities has not been detected by the forest authorities earlier though the lands are being leased from the last four years.

3) The CCF may be asked to report as to why this authorised lease was not noticed earlier. ~~brought to his~~

4) The CCF has further reported that the concerned Rev officers should be held responsible for the unauthorised lease of forest lands. ~~If~~

5) If approved the CCF will be asked to report as per para No 3 above. On receipt of report from him, further action will be taken in view of his report.

6/12/57

6) The proposal of the C.C.F in para 5 of this letter may be approved. The R.D. may see para 4 of the letter for such action as may be considered necessary and return the file along with the R.D. information on the point raised in para 3 may be obtained separately at the time giving orders.

DS

Sd/- [illegible] 6.12.57.

7) The proposals in para 6 may be approved, subject to the change that instead of lease for 30 years, tenancy may be disapproved as given to R.D for assignment to present occupants. A valid Sagupali which has been issued under orders of the D.C. & at the strength of it, improvements have been made. If so, grant of lease for 30 years will not enable occupants to spend heavily & make best use of the land. Besides, if it could be a lease for 30 years, it could very well be disapproved. If the Forest Deptt. had detected the encroachment at the initial stages, complications would not have set in. Alternatively, the improvements have to be assessed & paid & perhaps, indeed, let this would cause much inconvenience & requisite funds.

Secy (R) 11/12 — Under Secy 11/12/57 — D.C.

OFFICE OF THE ... No. 4094 12 DEC 19 ... BANGALORE

8) ~~This case of grant of lands~~. Since in Anekal taluk the forest area is low it is not advisable to release the land. This will create a bad precedent for the R. officials to grant lands in F. areas if we go on releasing the area after the improper grant. Hence the proposal of the C.C.F may be approved. But instructions may be sent to the R. department to make an enquiry about this grant of forest area by the R. officer.

petition dated 29-8-1958 from Sri M. Nariyappa and C. Cundappa requesting for his confirmation of the grant already made.

Minutes of the Minister for Revenue Revenue Dept put up references (Sd) K.S.

Note.—Contn. Sheet

19) Kindly see from para 1 to 11 of the notes and the letter dated 20th Aug 1958 of the Divisional Comr Bangalore Division.

20) It is stated that the survey numbers 14 to 18 of Bhuthanahalli village Anekal Taluk have been granted under darkhast rules during the year 1953 to Sigusto Chowdappa and M. Mariyappa by the Deputy Comr Bangalore for starting a model agricultural and dairy farm.

21) During the year 1957 i.e. after the lapse of 4 years, the Forest authorities detected that these survey numbers are in the midst of the State Forest of Raginahalli Anekal Taluk and that the Revenue authorities have erred in granting these survey numbers without consulting the Forest Dept.

22) A report was called for from the Divisional Comr Bangalore Division w/r to para 11 of the notes together with the explanation of the Revenue Officers responsible for this oversight. The Divisional Comr states that the revenue records are stated to have no entries to the effect that these survey numbers are included

Mysore Government Secretariat

1338 V 1842 - RD

Serial No.

in the forest area and hence that the grant has been made by the Deputy Comr as the basis of the entries of in the Revenue Records.

23 The Divisional Comr also states that the original survey records show that Deeps Nos 16 all other survey numbers are private land even in 1884 as made from the Tippani and pucca Books of 1887 and 1889. ~~which have been~~ which have been renumbered to Gos subsequently and that the Forest authority might not have been included these survey numbers in the Forest area at the time of its Constitution.

24 As ~~[illegible]~~ the survey numbers have already been granted during the year 1953, it is not desirable to deprive the grantees at this distance of time which may lead to Complication. The Divisional Comr Bangalore is of the view that it is not worthwhile to perturb the matter.

25 The Divisional Comr Bangalore also suggests that it may be advisable for the Forest Dept to instruct Local Officers especially Rangers to see that entries in respect of State Forest are made in the Records of Rights and other Village records so that such things may not occur in future.

The case was become complicated as initial action was not taken by forest authorities at an earlier stage. i.e furnishing details of B.N.O, villages etc to Revenue authorities at the time of constituting the land into state forest in 1884. The Revenue authorities in usual course of action, have issued Sagvarali etc. However at this distance of time, as the parties are in the enjoyment of holding the lands in question may be disappointed by surrendered to R.D for disposal according to prevailing rules — C.C.F may be directed to issue a stringent circular to all his subordinates to notify to revenue authorities the details of areas immediately they are proposed to be constituted into forest to avoid similar complication

AGRICULTURE No. 6994 1 OCT 1958 GOVERNMENT OF MYSORE

No.B3-110-930/57 Chief Conservator's Office,
Bangalore, dated 5. 12-1957.

To

The Secretary to Government,
Home, Forest & Agriculture Departments,
Bangalore.

Sir,

Sub:-Release of State Forest lands - S.No. 14 to 18 for cultivation to Sriyuths C.Chowdappa and M.Mariappa - wrongly granted by the Revenue Department - regularisation of-

---

I have to bring to kind notice that an area of 21 acres 36 guntas of Ragihalli State Forest, Anekal Taluk, of Bangalore Division has been under the occupation of Sriyuths C.Chowdappa and M.Mariyappa for the last 4 ~~to 5~~ years. The party holds a Saguvali Chit issued by the Amildar in persuance of the orders No.M2-DAR 54/52-53 dated 24-4-1953 and 3-6-1953 of the Deputy Commissioner, Bangalore District. The land is State Forest land over which the Tasildar has no control. However, owing to the incompletness of the Revenue records the land has been granted out for starting Model Agriculture and Dairy Farm by the Revenue Authorities.

2. This forest, namely Ragihalli State Forest, was constituted in the year 1884 and is one of our oldest forests. In those days a 'C' statement i.e. a statement giving details - Survey numbers, villages etc., of the lands taken to form a State Forest was not being prepare Only the forest demarcation line used to be cut after survey and settlement by a Forest Settlement Officer, who used to be generally the local Revenue Sub Division Officer. Although a valid demarcation line exists which has been kept clear and is distinctly visible at a distance of about a furlong from the area given out for cultivation, this area has been alienated by the Tasildar which indicates that no spot inspection has probably been made by the Revenue authorities.

P.T.O.

11

3. The ~~encroachment~~ irregular grant came to light when the Saguvalidars started clearing and cultivation. ~~The~~ They now represent that they have invested considerable amounts for making the land suitable for cultivation by clearing the bushes and lantana, levelling and that they have constructed house etc., The Conservator of Forests and the District Forest Officer opine that since this area is forest land, it should not be granted for cultivation. ~~They~~ The Saguvalidars on their part, state that they hold a valid tenancy and that they would be put to loss if evicted.

4. It is obviously not the entire fault of the tenants that they have invested money on land for which a Saguvali Chit have been granted to them by a Governmental authority. It is perhaps the fault of the authority who granted the land without proper investigation, without consulting the Forest Department and without observing all the requisite formalities scrupulously. This matter may kindly be caused to be investigated and ~~xxxxxx~~ suitable deciplinary action taken against those concerned as deemed fit.

5. But, the Saguvali Chit holder has been repeatedly pressing for permission to continue their right to use the land. I have therefore no option except to state that permission may be accorded to them to continue to use the land for the purpose for which it was expressly granted to them by the Governmental authority which granted it to him. However, it would not be possible or advisable to disreserve this land, but it may be treated as leased forest land, and a suitable lease rent fixed for the use of the land at Rs.5/- per acre per year payable to the Forest Department, as the purpose for which the land is required is for starting an Agricultural & Dairy farm for a period of 30 years. This would bring the land on par with some of the Coffee and other

3/C 12

lands which are being leased out by the Department.

Yours faithfully,

(K.KADAMBI)
Chief Conservator of Forests.

Sir,

Subject:- Release of State Forest Lands - S.Nos. 14 to 18 of Bhutanahalli, Anekal Taluk, wrongly granted by Government, regularisation of the -

B
11338
5 AUG 1958
REVENUE BRANCH

Reference:-

Your letter No. R.D.250-LGB.57 dated 7-1-1958.

With reference to the above I write to state that on an examination of the connected darkhast records - - (enclosed herewith) and original Survey Records - Tippani and Pakka Books - I find that the lands in question are in the midst of the State Forest but the Revenue records are stated to contain no entry regarding this fact of -- afforestation in respect of these survey numbers. Grant appears to have been made on this basis of the entries in the Revenue Records though the Revenue Inspectors and the Shanbhog while reporting stated that the land lies in the midst of the Forest, that due margin will have to be left and if necessary the Forest Department consulted. - - - - The Tahsildar also reported while recommending the grant to the Deputy Commissioner that the Forest Department may be consulted. But the Deputy Commissioner asked the - - Tahsildar to verify and report if the revenue records - - bear out that this is a State Forest and if so to report with the number and date of Government Order constituting it into a State Forest. The Tahsildar thereupon reported that there are no such entries in the Index of Lands. This was supported to the Deputy Commissioner by the Sub Division Officer. On this the Deputy Commissioner sanctioned

p.t.o.

24

sanctioned the grant on 3-6-1953. The officers concerned are noted in the margin. The Tahsildar has since retired. The Deputy Commissioner is since dead. The Sub Division Officer is now Secretary to the Public - - Service Commission. The Sub Division ~~officer only~~ forwarded the report of the Tahsildar recommending the grant.

Tahsildar	Sri T. Rama Rao	
Sub Division Officer	" L. Lingiah	
Deputy Commissioner	" T. Rangamalliah	

2) The original Survey Records show that except survey No. 16 all the other survey numbers were occupied holdings private lands even in 1884 as made from the Tippani & Pucca Books of 1887 and 1889. While the letter of the Chief - - Conservator of Forests dated 3-12-1957 received from you - - shows that the Forest was constituted in 1884, that at that time details of survey numbers, etc., were not being - - - furnished in the Forest Notifications, etc. Whatever this may be the survey numbers in question were private lands then and must have been resumed to Government subsequently and at the time of constitution of the Forest these survey numbers might not have been included in the Forest. As per Revenue records these lands were not included in the State Forest.

In these circumstances I do not feel that it is worth while pursuing the matter as entries in the Revenue Records were made more than 70 years ago and that while it was desirable that the Forest Authorities be consulted as urged by the Revenue Inspector and Tahsildar, of the then officers who - - dealt with the case, the Tahsildar is no longer in service, the Deputy Commissioner is dead and the part played by the Sub Division Officer is insignificant.

In this connection it may be advisable for the Forest Department to instruct local officers especially Rangers to see that entries in respect of State Forest are made in the Record of Rights and other Village Records.

Government may please be moved to issue necessary - - orders in the matter.

Yours faithfully,

For Divisional Commissioner.

Draft approved by the Divisional Commissioner.

GOVERNMENT SECRETARIAT No 11842 4 - SEP 1958 REVENUE BRANCH.

Respected Sir,

Sub: Confirmation of the grant of 15(A) 11 (G) of Assesed waste dry-land at Bhootanahalli, Jigani Hobli, Anekal Taluk.

I am an educated farmer. I was granted an extent of 15 acres 11 Guntas of Assesed waste dry land in S.Nos. 15 to 18 of Bhootanahalli, Anekal Taluk, by the Deputy Commissioner, in April 1953 as per his orders M2-Dar 54/52-3 dated 24-4-1953. I paid the upset price and am in possession of the said extent for the last six years.

18
4/9

I invested heavy amount and constructed a Farm house first. Since it was a lonely place, to fecilitate my Agricultural Operations. The forest authorities claimed in 1957 that the said bit belong to them. I appealed to the Chief Conservator of Forests, who, it is learnt has recommended to Government to lease the land. I will be put to a great loss for no fault of mine, if either 1) the land is leased to me or 2) in case it is canelled.

The following facts go in my favour:

1. The land grant is regular:

   An extent of 15 acres and 11 guntas of dry assessed waste land in S.Nos 15 to 18, was granted to me in 1953 by the Deputy Commissioner as per orders No. M2-Dar 54/52-53 dated 24-4-1953.

2. I credited the upset price and took possession of the same in June 1953 and am cultivating it since then

3. I have been paying the Land Revenue Regularly for the last 6 years.

4. I have built a farm-house and have settled there, the estimate expenditure of which comes to more than Rs 6,000/-for the six years period.

P.T.O

5. There are demarkation stones and Bunds to show and prove that the said extent which is in my possession is an assessed waste land but not a forest area.

6. The total forest area near my land is about 17,500 acres inclusive of Gullahathi, Rajeshalli, State forests as such the question of insufficiency of forest area dose not arise.

7. I would like to grow fruits by rising the Orchards and have a composite diary, a poultry form.

Under the above special circumstances, I pray your good-self to reappropriate the said extent for agricultural purposes and regularise the grant already made by the Revenue authorities.

Your will be helping a poor farmers family who help to grow more food and fruits in these days of food shoratage. I shall ever be much obliged to your for this act of kindness.

With respectful Regards,

Yours Sincerely,

(M.Mariyappa) 29.8.58
